Educational Attainment by Tennessee County

Interactive Map Instructions

∗   Click on the following link: http://thec.ppr.tn.gov/THECSIS/GIS/GIS.aspx

∗   Chose the tab **Educational Attainment** under the GIS website introduction.

∗   Select either the **Educational Attainment** or **Educational Needs** button.

   #   Clicking on the button will open a respective set of interactive maps.

∗   Click on the middle button above the title in the left upper corner.

   #   Hovering the cursor over this button will show the phrase "Show Contents of Map."

   #   The Contents will appear with the links to the available maps.

∗   Select the map and the respective data that you would like to see.

   #   Check the box to the left of the map's title to produce a map.

   #   Hover over the map's title, click on the small arrow to the right, and select the option "Show Table".

   #   To hide the table, click on the arrow and select the option "Hide Table".

∗   Examine the data for individual counties.

   #   Click on a county and a pop-up window will appear with a summary table for that county.

   #   You do not need to close the current summary table before moving to a new county.

∗   Notes:

   #   Uncheck the box for the current map before selecting a new map.

   #   The maps are color-coded by quintile.

   #   Select the rightmost button above the title to produce the Legend for each map.
